

Know your way out. Your community's evacuation routes.

Familiarize yourself with major routes and, if possible, two ways out in case of evacuation.

Emergency Notifications

Evacuation Order

Moving community members out of a defined area due to an immediate threat to life and property from an emergency incident. An Evacuation Order will be issued when there is potential or actual threat to civilian life.

Evacuation Warning

Alerting community members in a defined area of a potential threat to life and property from an emergency incident. An Evacuation Warning may be issued when the potential or actual threat to civilian life is more than 2 hours away.
